

It Takes an expert (with Jordan North)

Unidentified [00:00:00] I think it's the bottles.

Speaker 1 [00:00:14] This is something I'm really looking forward to because I've always wanted to be able to do magic. In front of you, there are props that you will need to execute the trick. Master the steps below by later today as you will be performing the trick to members of the public. Great. So what I've got to do is put my fingers over the top and then turn it upside down. That's fine, there's a couple of drips. And then we count to three. One, two, three. Ignore that. Ignore that. Yeah. No, no, not good, three. Abracadabra. It's going to be a long day. Have we got a mop and bucket please. We probably practise it over the sink. Oh, this is going to be so much harder than I thought.

Speaker 2 [00:01:06] Take a card out, any one you want. OK. Put it back here for me.

Speaker 1 [00:01:12] Which fingers is it? No. Where is it now? I think it's the bottles.

Speaker 2 [00:01:26] Yeah. Hey Jordan, need some help? Please! You just need to believe. Believe? Believe! I'm Troy, by the way. I'm a magician. I'm here to help you. Rotate your arms like this. There's a little twist action that's happening on your fingertips. Sliding your fingers away. I feel like you can do this.

Speaker 1 [00:01:45] Is that on the right hand?

Speaker 2 [00:01:46] Yeah, that's good. Rotation.

Speaker 1 [00:01:50] Oh, look at that! You did it! Mate!.

Speaker 2 [00:01:55] So you're going to take that toothpick and you're gonna slide that right in. You see that? Perfect. All right, let's go over to the sink. Yeah.

Speaker 1 [00:02:03] One, two, three. Mate, that is class.

Speaker 2 [00:02:09] I think you're ready to take to the streets? Yeah?

Speaker 1 [00:02:10] Yeah. Lead the way. Let's go. Let's do it. Magic on the streets. Do I need me wand? Right, so here we are.

Speaker 2 [00:02:21] Excuse me, have you got two moments? It will take two seconds. Yeah.

Speaker 1 [00:02:27] Hi. Excuse me. Yes, mate. Have you got two minutes?

Speaker 2 [00:02:30] I have my friend Jordan here. He's been learning magic, I was hoping he could show you a magic trick. I love magic so yes.

Speaker 1 [00:02:36] Can I take your bottle of water, is that OK? Right. OK, so I'm just going to pour a bit of the water out. There you go, now flip it over. Three, two one. What?! How do you do that? OK, I'll show you one more trick, I will place a toothpick in the bottle of water. How have you done that? Hold the bottle and hold the bottle gently?

Unidentified [00:03:08] One, two, three.

Speaker 1 [00:03:14] That was amazing. That was pretty good. Thank you. I'm buzzing now, absolutely buzzing. I've always wanted to do that, to do it properly in the middle of London.

Speaker 2 [00:03:23] Oh, it's amazing. It was great. Great. Such a great performance. And it's exactly what I wanted to see. So well done.
