

[OPENING TEXT CONTENT:]

These are our people...

[VOICES FROM VARIOUS MEMBERS OF AVIVA STAFF:]

We are Aviva.

We are our people.

We are our experiences,

our abilities,

our attitudes,

our ambitions,

our ideas,

and our interests.

We are ourselves.

We come together when times get tough.

We listen.

We adapt.

And we find strength in our diversity of people.

We learn and we grow together.

We each have our own unique voices and we respect each other's life experiences.

We say: "**This is me**, there is no one else like me".

What makes you, you?
