STRATEGIC REPORT**

The directors present their Strategic Report on Friends Life FPG Limited (the Company) for the year ended 31 December 2019.

**PRINCIPAL ACTIVITY**

The Company, a private company limited by shares, is a wholly owned subsidiary of Aviva Life Holdings UK Limited (UKLH) and is part of the Aviva plc Group (the Group). The Company has one direct subsidiary, Friends Life FPL Limited (FPL), and acts as an intermediate holding company for ex-Friends life subsidiaries acquired by the Aviva Group in 2015. The results of these subsidiary undertakings have not been consolidated in these financial statements as they have been included in the consolidated financial statements of Aviva plc.

**RESULTS AND BUSINESS REVIEW**

	<b>2019</b>	2018
	<b>£000</b>	£000
Income from shares in group undertakings	<b>12,726</b>	99,680
Realised losses on investments	<b>(1)</b>	(101,883)
Other interest receivable and similar income	<b>9</b>	6
Total equity	<b>6,111</b>	7,363

Income from shares in group undertakings reflects dividends received from FPL, the Company's only directly held subsidiary.

Realised losses on investments in subsidiaries reflect fair value movements in the year. Losses for 2019 are driven by the reduction in value of FPL following the dividend payment to the Company, offset by a dividend paid into FPL from its directly held subsidiary Friends Life Distribution Limited.

Other interest receivable and similar income relates to interest on bank deposits.

**STRATEGIC REPORT (continued)**

**PRINCIPAL RISKS AND UNCERTAINTIES**

The principal risk which the Company is exposed to is the fluctuation in fair value of its investment in group undertakings. Following the Part VII transfers undertaken in 2017 this risk has substantially reduced as the Company is no longer exposed to the volatility inherent in the valuation of the life insurance business. More information in respect of the risk management framework applied by the group is provided in note 8 to these financial statements.

On 11 March 2020, the World Health Organization declared the outbreak of a strain of novel coronavirus disease, COVID-19, a global pandemic. Governments in affected areas have imposed a number of measures designed to contain the outbreak, including business closures, travel restrictions, stay at home orders and cancellations of gatherings and events. The spread of COVID-19 has resulted in an economic downturn in the UK, as well as causing increased volatility and declines in financial markets. The spread of the virus is now slowing down and restrictions are beginning to lift but the risk of subsequent peaks means the adverse impact on the UK economy could be deepened and result in further declines in financial markets.

The Company has no further cash requirements. Since the onset of the pandemic the Company has remained operational, with key activities such as transaction processing being maintained and IT systems remaining operational. As the situation is still evolving it is not practicable to quantify the potential impact of volatile financial markets on expected earnings or the Company at this stage.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRIENDS LIFE FPG LIMITED**

---

**REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS****Opinion**

In our opinion, Friends Life FPG Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 31 December 2019; the profit and loss account, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Independence*

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

**Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion on, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Report of the Directors, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FRIENDS LIFE FPG LIMITED**  
**(continued)**

---

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

*Strategic Report and Report of the Directors*

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Report of the Directors for the year ended 31 December 2019 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Report of the Directors.

**Responsibilities for the financial statements and the audit**

*Responsibilities of the directors for the financial statements*

As explained more fully in the Statement of Directors' Responsibilities set out on page 8, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

*Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

*Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

**NOTES TO THE FINANCIAL STATEMENTS**

---

## 1. STATEMENT OF ACCOUNTING POLICIES

### A) Basis of presentation

The financial statements have been prepared in accordance with The Companies Act 2006, as applicable to companies using Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101). The financial statements have been prepared under the historical cost convention, except for investments in subsidiaries that have been measured at fair value through profit and loss.

The financial statements have been prepared on a going concern basis. In assessing whether the going concern basis is appropriate, the directors have considered the information contained in the financial statements of the Company. The directors are satisfied that the Company has adequate resources to continue in operational existence for the foreseeable future and at least 12 months from the approval of the financial statements.

The financial statements are stated in sterling, which is the Company's functional and presentational currency. Unless otherwise noted, the amounts shown in these financial statements are in thousands of pounds sterling (£'000).

The accounting policies which follow set out those policies which apply in preparing the financial statements for the year ended 31 December 2019. These policies have been consistently applied to all years presented, unless otherwise stated.

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) the requirements of paragraphs 10(d) and 111 of IAS 1 Presentation of Financial Statements to include a statement of cash flows and the requirements of IAS 7 Statement of Cash Flows;
- (b) the requirements of paragraph 16 of IAS 1 to make a statement of compliance with the international accounting standards;
- (c) the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors to disclose when an entity has not applied a new accounting standard that has been issued but is not yet effective;
- (d) the requirements of paragraph 17 of IAS 24 Related Party Disclosure to disclose key management personnel compensation;
- (e) the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group.
- (f) the requirements in paragraph 4(a) of IFRS 10, Consolidated Financial Statements, and under Section 400 of the Companies Act 2006, to disclose where an entity has elected not to present consolidated financial statements. These financial statements present information about the Company as an individual undertaking and not about its group. Information on the ultimate controlling parent can be found in note 10.

New standards and minor clarifications to existing guidance on a number of standards became effective for the reporting period beginning on 1 January 2019. The principle clarifications are to IFRS 16, Leases which replaces IAS 17 and introduces a definition of a lease with a single lessee accounting model, eliminating the previous classification of either operating or finance leases, IFRIC 23, Uncertainty over Income Tax treatments, Amendments to IAS 19, Plan Amendment, Curtailment or Settlement and Amendments to IAS 28, Long Term interests in Associates and Joint Ventures. The amendments do not have any impact on the Company's financial statements.

**FRIENDS LIFE FPG LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS (continued)**

---

**1. STATEMENT OF ACCOUNTING POLICIES (continued)****B) Income from shares in group undertakings**

Dividend income from shares in group undertakings is recognised when the right to receive the payment is established. For unlisted shares (all the Company's directly and indirectly held subsidiaries are unlisted) this is the due date.

**C) Realised and unrealised gains/(losses) on subsidiaries**

Shares in group undertakings are valued at fair value with gains or losses being recognised in the profit and loss account. Realised gains/(losses) either arise on disposal of a subsidiary or when the fair value of the subsidiary is reduced below its book cost and the loss is considered to be permanent. A gain is realised on the reversal of such reduction.

**D) Income taxes**

The current tax expense is based on the taxable profits for the year, after any adjustments in respect of prior years. Tax, including tax relief for losses if applicable, is allocated over profits before taxation and amounts charged or credited to components of other comprehensive income and equity as appropriate.

Provision is made for deferred tax liabilities, or credit taken for deferred tax assets, using the liability method, on all material temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

The rates enacted or substantively enacted at the statement of financial position date are used to value the deferred tax assets and liabilities.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised. Where there is a history of tax losses, deferred tax assets are only recognised in excess of deferred tax liabilities if there is convincing evidence that future profits will be available.

Deferred tax is provided on any temporary differences arising from investments in subsidiaries, associates and joint ventures, except where the timing of the reversal of the temporary difference can be controlled and it is probable that the difference will not reverse in the foreseeable future.

Deferred taxes are not provided in respect of any temporary differences arising from the initial recognition of goodwill, or from the initial recognition of an asset or liability in a transaction which is not a business combination and affects neither accounting profit nor taxable profit or loss at the time of the transaction.

**E) Valuation of shares in group undertakings**

Shares in group undertakings are stated at their fair values, estimated using applicable valuation. Subsidiaries managed on a fair value basis are classified as held at fair value through profit or loss with valuation movements recognized in the profit and loss account.

**F) Investment income**

Dividends, interest or other income receivable includes any withholding tax but excludes any other taxes such as attributable credits not payable wholly on behalf of the group. Interest income is recognized as income as it accrues and includes interest received on loans made to companies within the group.

**FRIENDS LIFE FPG LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS (continued)**

## 2. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions in applying the accounting policies that affect the reported amounts of assets, liabilities, income and expenses. The item considered particularly susceptible to changes in estimates and assumptions is the valuation of shares in group undertakings, set out in accounting policy E.

All estimates are based on management's knowledge of current facts and circumstances, assumptions based on that knowledge and their predictions of future events and actions. Actual results may differ from those estimates, possibly significantly.

## 3. AUDITORS' REMUNERATION

The auditors' remuneration for audit services for 2019 of £19,000 (2018: £22,000) was borne by other companies within the Group. Fees paid to the Company's auditors, PricewaterhouseCoopers LLP (PwC) and its associates, for services other than the statutory audit of the Company and other Group undertakings are disclosed in the consolidated financial statements of Aviva plc.

## 4. TAX

Finance Act 2016 introduced legislation reducing the UK corporation tax rate from 1 April 2020 to 17%. In the Budget of 11 March 2020, the UK Government reversed this rate reduction, announcing that the UK corporation tax rate will remain at 19% from 1 April 2020 and this was substantively enacted on 17 March 2020. As the company has no deferred tax assets or liabilities, any future changes in tax rates have no impact on the net assets of the Company as at 31 December 2019.

**11. SUBSEQUENT EVENTS**

On 11 March 2020, the World Health Organization declared the outbreak of a strain of novel coronavirus disease, COVID-19, a global pandemic. Governments in affected areas have imposed a number of measures designed to contain the outbreak, including business closures, travel restrictions, stay at home orders and cancellations of gatherings and events. The spread of COVID-19 has resulted in an economic downturn in the UK, as well as causing increased volatility and declines in financial markets. The spread of the virus is now slowing down and restrictions are beginning to lift but the risk of subsequent peaks means the adverse impact on the UK economy could be deepened and result in further declines in financial markets.

The Company has no further cash requirements. Since the onset of the pandemic the Company has remained operational, with key activities such as transaction processing being maintained and IT systems remaining operational. As the situation is still evolving it is not practicable to quantify the potential impact of volatile financial markets on expected earnings or the Company at this stage.
